

CHRIS NORTON MOTIVATION

INTRODUCTION

(To be read before presentation)

It gives me great pleasure to introduce keynote speaker, author of *The Power of Faith: When Tragedy Strikes*, and founder of the Chris Norton Foundation.

Our speaker suffered a severe spinal cord injury while playing college football in 2010. Initially, he was given a 3% chance of ever regaining movement from the neck down. He defeated all odds and walked across the stage of his college graduation, which has been viewed over 300 million times across the world.

Most recently, Chris walked his bride, Emily, 7 yards down the aisle on their wedding day. He has been featured in the media and on national TV shows including *Good Morning America*, *NBC Nightly News*, *FOX & Friends*, and *CBS Early Show*.

Filming has begun for “7 Yards”, a full length documentary about his astonishing story by an award winning film company.

Today, he will reveal the secrets to overcoming the most challenging obstacles, and recognize the great power within us all:

THE POWER TO STAND.

Now please join me in giving a warm welcome to... Chris Norton!
